The Honorable Lauren Boebert  
3rd Congressional District of Colorado  
1713 Longworth House Office Building  
Washington, DC 20515

Dear Congresswoman Boebert,

On behalf of the 2.1 million members of AMAC, the Association of Mature American Citizens, including over 10,800 members residing in CO-03, I write to convey our support for H.R. 128, the "Defund Planned Parenthood Act".

The basic rights to life, to liberty, and to the pursuit of happiness, granted by God and codified in our Declaration of Independence apply to all humans born, and unborn. The unborn deserve special consideration because they cannot defend their own rights, and we appreciate your efforts to advocate for them.

Your bill recognizes abortion for what it is, murder, and prohibits the subsidization of such by the American taxpayer. It prevents Planned Parenthood and its associated organizations from taking the lives of the unborn, now estimated to be 13,000 babies each year. It demands the repayment of funds back to the treasury when our money is used inappropriately to support their criminal enterprise.

We encourage expanded bills like this to prevent the use of federal dollars for all cases in which they may be applied to abortion, and we especially support the concept that bills like this, that become law, permanently ban the taxpayer-backed funding of abortions.

AMAC thanks you, Congresswoman Boebert, and your cosponsors, for valiantly defending the rights of preborn American citizens. Our nation only stands to benefit by defunding abortion and allowing our children to live full lives from conception onward.

Sincerely,

A handwritten signature in black ink that reads "Bob Carlstrom".
